

Greenland Technologies to Showcase Electrification Solutions at 2023 UTCA Convention

Sep 18, 2023

EAST WINDSOR, N.J., Sept. 18, 2023 /PRNewswire/ -- Greenland Technologies Holding Corporation (NASDAQ: GTEC) ("Greenland" or the "Company"), a technology developer and manufacturer of electric industrial vehicles and drivetrain systems for material handling machineries and vehicles, today announced that it will showcase its innovative electrification solutions at the 2023 Annual Convention (the "Convention") of Utility & Transportation Contractors Association (the "UTCA").

UTCA's 2023 Annual Convention will feature over 100 exhibitors displaying the latest in equipment, technology and services for the construction industry. The Convention will take place from September 28-30, 2023 at the Tropicana Hotel & Casino in Atlantic City, NJ.

Raymond Wang, CEO of Greenland, commented, "The Annual UTCA Convention is a great platform for us to get our innovative electrification solutions in front of the decision-makers essential to our sales growth. We are excited to share the Greenland and HEVI stories, product roadmap and customer case studies. We continue to benefit from a multiplier effect, where our customers are our best advocates in sharing product feedback with other targets."

Safe Harbor Statement

This press release contains statements that may constitute "forward-looking statements." Such statements reflect Greenland's current views with respect to future events and are subject to such risks and uncertainties, many of which are beyond the control of Greenland, including those set forth in the Risk Factors section of Greenland's Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission ("SEC"). Copies are available on the SEC's website, www.sec.gov. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, Greenland's expectations with respect to future performance. In addition, there is uncertainty about the further spread of the COVID-19 virus or the occurrence of another wave of cases and the impact it may have on the Company's operations, the demand for the Company's products, global supply chains and economic activity in general. Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated or expected. Statements contained in this news release regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. Greenland does not intend and does not assume any obligation to update these forward-looking statements, other than as required by law.
