

Greenland Technologies to Present at NobleCon 19 Investor Conference

Nov 28, 2023

EAST WINDSOR, N.J., Nov. 28, 2023 /PRNewswire/ -- Greenland Technologies Holding Corporation (NASDAQ: GTEC) ("Greenland" or the "Company"), a technology developer and manufacturer of electric industrial vehicles and drivetrain systems for material handling machineries and vehicles, today announced that it will present at the upcoming NobleCon 19 on Monday, December 4, 2023, at 3:30 p.m. Eastern Time in Presentation Room 4.

The Company's management will also host 1x1 and group meetings with investors at the popular conference. Investors can register to attend at website: <https://noblecon19.com>. The prior 18 NobleCon events included a range of 75-150 presenting companies, with overall attendance capped at 1,000, including investors, key-note speakers, and panel members.

About NobleCon

Now in its 19th year, NobleCon is widely recognized as the preeminent showcase of emerging growth companies. With over 100 executive teams and scores of potential investors ranging from institutions, brokers and family offices, to interested, self-directed individuals, NobleCon is an interactive business environment like few others. The record-breaking migration of buyside firms to South Florida allows for exponential growth in attendance of qualified investors. Panels made up of world-class opinion leaders on topics that will shape the global future, with keynotes including the 2022-2023 NCAA Men's Basketball Coach of the Year, Dusty May, and an hour-long live fireside chat with the 43rd President of the United States, George W. Bush. To learn more about NobleCon, visit website: <https://noblecon19.com>.

Safe Harbor Statement

This press release contains statements that may constitute "forward-looking statements." Such statements reflect Greenland's current views with respect to future events and are subject to such risks and uncertainties, many of which are beyond the control of Greenland, including those set forth in the Risk Factors section of Greenland's Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission ("SEC"). Copies are available on the SEC's website, www.sec.gov. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, Greenland's expectations with respect to future performance. In addition, there is uncertainty about the further spread of the COVID-19 virus or the occurrence of another wave of cases and the impact it may have on the Company's operations, the demand for the Company's products, global supply chains and economic activity in general. Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from

those described herein as intended, planned, anticipated or expected. Statements contained in this news release regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. Greenland does not intend and does not assume any obligation to update these forward-looking statements, other than as required by law.
