

Greenland Technologies to Present to Investors in Atlantic City

Jan 25, 2024

EAST WINDSOR, N.J., Jan. 25, 2024 /PRNewswire/ -- Greenland Technologies Holding Corporation (Nasdaq: GTEC) ("Greenland" or the "Company"), a technology developer and manufacturer of electric industrial vehicles and drivetrain systems for material handling machineries and vehicles, today announced that its management will present to investors at the Caesars Atlantic City Hotel & Casino as part of the Microcap Conference on January 31 and February 1, 2024.

The Microcap Conference is the largest independent event for microcaps, and will feature 3 days of educational programming and company presentations. This gathering of microcap investors and deal-makers represents the culmination of two decades of hosting investment conferences as DealFlow Events celebrates 20 years of serving the U.S. financial markets. Safe Harbor Statement

This press release contains statements that may constitute "forward-looking statements." Such statements reflect Greenland's current views with respect to future events and are subject to such risks and uncertainties, many of which are beyond the control of Greenland, including those set forth in the Risk Factors section of Greenland's Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission ("SEC"). Copies are available on the SEC's website, www.sec.gov. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, Greenland's expectations with respect to future performance. In addition, there is uncertainty about the further spread of the COVID-19 virus or the occurrence of another wave of cases and the impact it may have on the Company's operations, the demand for the Company's products, global supply chains and economic activity in general. Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated or expected. Statements contained in this news release regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. Greenland does not intend and does not assume any obligation to update these forward-looking statements, other than as required by law.
